## ATTENTION RESIDENTS

Friendly reminder of the Carrying charge increase:

**ONE BEDROOM- \$575.00**

**TWO BEDROOM- \$640.00**

**THREE BEDROOM- \$730.00**

Please do not feed the squirrels. Although they are cute and seem very friendly because you are feeding them, they will cause serious damage to your vehicles. Squirrels will chew the wires in your engine area, and will make a nest in your engine area especially when it is cold out. This is also a violation of the "Fraser City Code Common Violations- Improper feeding of wild birds and other animals which includes squirrels."

## **IMPORTANT NEWS**

With the weather changing, we would like to remind everyone to be careful and take precautions because hazardous weather can happen quickly this time of year, and we have free salt available to all residents. The salt is located near the Maintenance Garage on the west side of the Clubhouse in large containers and is available 24 hours a day, 7 days a week. Please make sure to replace lids on the salt containers. Thank you and stay safe this Winter!

I hope that everyone enjoyed themselves during the Christmas holiday and had a chance to spend some quality time with friends and family! The holiday season is a great time of the year as we gather with friends and family to celebrate all of the year's blessings. We've even had some decent weather as we hosted and/or attended our holiday celebrations.

I'd also like to take this opportunity to thank all of the members here who took the time to decorate their units for the holidays. Your efforts have certainly served to brighten up the community and added to the "Christmas Spirit" throughout the complex. Please make sure to remove the outdoor decorations no later than Saturday, January 31<sup>st</sup> to avoid any Administrative Enforcement Fees being levied to your account.

It's also that time of year when we remind everyone about our snow removal rules and regulations (please see page three for details). Please make sure to register all of your vehicles at the business office and install the provided decal in the back window of your vehicle(s). Additionally, please contact the business office at (586) 293-5150 if you are going out of town and planning on leaving your vehicle on-site... we have designated areas that are assigned for long term parking.

I would also like to take this opportunity to thank the members here at Hanover Grove who give so much of their time and efforts throughout the year to make this a community a great place to live. A huge thank you to each and every one of the Board of Directors for all that they do and have done! I'd also like to recognize the members of the community who continue to volunteer their time to assist with the Membership Committee, the Grounds Committee, and our Free Food Programs. We certainly couldn't continue to provide these services to the membership here if it weren't for the dedication and commitment of each and every one of our volunteers.

Lastly, the Board of Directors, Management, and Staff here at Hanover Grove Cooperative would like to wish everyone a healthy and prosperous New Year. I would also like to take this opportunity to remind everyone that Hanover Grove is a Cooperative... where each member holds an equal share, and every member has responsibilities to the community as a whole. Please remember to take the time to check on your neighbors (as they may require some assistance) and please ensure that both you and your guests are following the Rules and Regulations accordingly. It is these very same rules and regulations that we follow that help to maintain our property values and keep this community a great place to live!

## IT'S THAT TIME AGAIN TO REMIND YOU ABOUT THE SNOW REMOVAL RULES

### SECTION 107 - VEHICLES, PARKING & DRIVING REGULATIONS

**107.11** During the winter months, residents must move their vehicles as necessary for snow removal by the Maintenance Department. The following schedule has been determined for snow removal from parking areas. The drivers of the trucks plowing the snow will honk their horns to notify you that they are attempting to plow your parking area.

#### **YOUR COOPERATION IS REQUIRED.**

**107.11(a)** Members living in **even** addresses (i.e., 31008, 15608, etc.) will have their parking areas plowed between 9:00 am and 12:00 NOON. All cars must be removed from the parking areas before 9:00 a.m.

**107.11(b)** Members living in **odd** addresses (i.e. 31125, 15819, etc.) will have their parking areas plowed between 1:00 pm and 5:00 pm. All cars must be removed from the parking areas before 1:00 p.m.

**107.11(c)** The only exceptions to this rule will be those areas of Darby Lane and Van Avenue that have parking on one side of the street only and the Courts that comprise the 900 blocks of Darby, Sabre, and Van. These parking areas will be plowed in the afternoon, between 1:00 pm and 5:00 pm with the odd addresses.

**107.12** Residents not moving their cars during the appropriate time periods for snow removal may have their vehicles towed away at the owner's expense and receive a \$50.00 Administrative Enforcement Fee.

**107.13** Residents or their guests having inoperable vehicles in the parking areas during snow removal will also be subject to having their vehicles towed away at the owner's expense and receive a \$50.00 Administrative Enforcement fee.

### **ATTENTION RESIDENTS**

**If you do not have a Hanover Grove parking decal in your rear window and you have not complied with the above rules we will have no way to notify you and you will be towed away at your expense!**
